Celebrate 2025 & Prepare for 2026

What a year 2025 has been for our Chamber! We grew to over 440 members spanning from Clark County across the Bluegrass region and beyond, all connected by their commitment to our community's success. Our Leadership Winchester program launched its largest class ever with 31 participants, developing the next generation of community leaders. Month after

month, we brought members together through well-attended breakfasts, networking events, and ribbon cuttings that celebrated milestones and fostered genuine business relationships.

Our **2025 Annual Report** will be released in the coming weeks, offering a comprehensive look at the Chamber's achievements, member growth, program impact, and the incredible ways our community came together throughout the year. Watch your inbox!

As we step into 2026, I want to personally encourage every member to join us for our **Economic Outlook 2026** event on January 15th from 1:30-3:00 PM at 1919 Rolling Hills Lane. This is your opportunity to gain crucial insights into local and regional economic trends, connect with fellow business and community leaders, and prepare your organization for the year ahead. Whether you're planning for growth, navigating changes in your industry, or simply want to understand what's on the horizon for Winchester-Clark County, this event will equip you with the information you need to make smart decisions. The event is open to members and guests—bring a colleague and RSVP to (859) 744-6420 or teresa@visitwinchesterky.com.

Thank you for being part of our Chamber family. Here's to a 2026 filled with growth, connection, and continued success for Winchester-Clark County!

- Cindy Banks, Executive Director

The Winchester-Clark County Chamber of Commerce serves as an advocate for our members to promote and enhance our community through business, social, cultural and educational programs.

Total Value of Benefits: \$2170.00

Your Investment, Our Community's Future

When you become a Corporate Sponsor, you're doing more than promoting your business—you're investing in Winchester-Clark County's economic vitality. Your sponsorship supports the Chamber's mission to represent local business interests, enhance economic growth, promote development, and provide leadership that keeps our business community thriving.

Corporate Sponsorships provide essential non-dues income that allows us to:

- Expand networking and educational programs for 440+ members
- Develop future leaders through Leadership Winchester (31 participants in 2025!)
- Support new business growth with ribbon cuttings and welcoming events
- Advocate for policies that benefit our local economy
- Create connections that span the Bluegrass region and beyond

One Investment, Year-Round Impact

For a single investment of \$1,600 (in addition to your annual membership dues), you receive all the benefits listed—making this one of the most cost-effective ways to gain year-long visibility while directly supporting programs that strengthen our entire business community.

Your 2026 Corporate Sponsorship isn't just marketing dollars—it's a strategic investment in the economic future of Winchester-Clark County and the success of the businesses that call it home.

Ready to lead? Contact Cindy today to secure your 2026 Corporate Sponsorship.

Ribbon Cutting World War II and Korean War Veterans' Memorial

Text and Photos from ClarkCountyWarMemorial.org

Veterans Council members David Ward, Dianna Layne, Greg Yates, Don Rose, Chuck Witt, and Dee Birkes watching as Council President Roy Hudson did the honors of cutting the red ribbon to officially open the memorial.

On a cold but sunny Veterans Day morning—just one day after Winchester's first snowfall of the season—the culmination of over 20 years of work was celebrated, as the ribbon was cut on the Clark County World War II/ Korean War Memorial. An estimated crowd of 250 or more braved the icy air to witness the historic event.

The monument and park, located on East Broadway, just off Main Street, is a refuge of green space in the middle of Winchester's central business district. Designed by Winchester retired architect and US Marine Corps Veteran, Chuck Witt, the site is now finished and ready to receive visitors.

The site memorializes the 77 Clark County troops who perished in World War II and the 19 lost in the Korean conflict. Each fallen service member has a bronze plaque and a number that references the location of their death on one of two granite maps engraved and mounted on pedestals at both ends of the monument.

In addition, the walkway connecting the monument to the street is paved with memorial bricks purchased by people who wish to honor a veteran, another family member, or a friend.
