January 2026

The cover of the January 2026 Chamber News. It features a large image of a woman with brown hair, smiling, wearing a black jacket and a colorful scarf. To her right is a white speech bubble containing the text "JOIN US!". In the bottom right corner of the cover, there is a blue speech bubble containing the text "GET CONNECTED!". The background of the cover is blue with yellow confetti. The top half of the cover has the "WINCHESTER CLARK COUNTY CHAMBER of COMMERCE" logo. Below the logo, the text "We Connect" is written in large white letters, and "WINCHESTERKYCHAMBER.COM" is written in white on a green banner at the bottom.

## Get Connected in 2026

Happy New Year, Chamber family! I am so excited to kick off 2026 with fresh energy and a clear focus: WE CONNECT! This year, our motto is all about creating a strong network where our Winchester-Clark County community can CONNECT, COMMUNICATE, and GROW together.

You might have already noticed our fabulous new CONNECT cover image —Teresa outdid herself! And if you haven't seen the video of Darryl Terry proudly putting a CONNECT sticker on his car, you're in for a treat. That's the kind of enthusiasm we're bringing into this year, and we want YOU to be part of it!

Connection is what the Chamber does best. Whether it's at our monthly breakfasts, ribbon cuttings, or After Hours events, we create the spaces where real business relationships form. But in 2026, we're taking it even further. **We're re-energizing our committees and opening them up to ALL Chamber members**—not just board members. This is your invitation to get more involved, share your expertise, and CONNECT with fellow members who are just as passionate about making Winchester-Clark County thrive.

Want to join a committee? Looking to deepen your Chamber involvement? Ready to CONNECT in new ways? Give me a call at (859) 744-6420 or email [CindyBanks@WinchesterKYChamber.com](mailto:CindyBanks@WinchesterKYChamber.com). Let's make 2026 the year we strengthen our business community through meaningful connection!

Here's to a year of growth, collaboration, and getting CONNECTED!

State Government Day

for lunch in the Capitol, participants will observe live Senate and House sessions—witnessing democracy in action as legislators debate and vote on real issues affecting our state. The bus returns to Winchester by late afternoon.

This is just one example of the immersive, hands-on experiences Leadership Winchester provides throughout the year. From local government and healthcare to industry and economic development, each day builds the knowledge, connections, and leadership skills our participants need to make a lasting impact on Winchester-Clark County.

*Leadership Winchester is a transformative leadership program that brings together local professionals for monthly sessions exploring the issues, organizations, and systems that shape Winchester-Clark County—building the next generation of informed, engaged community leaders. Applications open in the summer.*

What does a Leadership Winchester day look like? Here's a preview of State Government Day on February 19th, hosted by Senator Elkins, where our 2025-2026 class will get an up-close look at how Kentucky's government works.

The day begins early with a bus departure from McDonald's at 8:00 a.m., arriving at the Kentucky State Capitol in Frankfort by mid-morning. The class will meet with Senator Elkins and Representative Dotson to gain insights into the legislative process and the issues facing our region, followed by a meeting with Attorney General Coleman (or a surrogate from the office) for a deeper understanding of Kentucky's legal and governmental framework.
