

Chamber News

June 2026

Summer Kick Off!

WOW - June was filled with opportunities to connect, celebrate, and grow! We hosted 5 ribbon cuttings, 4 Chamber breakfasts, and more than 11 events, including Rock the Block, the Leadership Summit, and, most importantly, the Leadership Winchester graduation—

where we celebrated 27 exceptional participants. These emerging and established leaders have invested their time in learning more about our community, building relationships, and preparing to make an even greater impact. Congratulations to each graduate! Your commitment to leadership helps ensure a bright future for Winchester and Clark County.

Even the hot weather couldn't slow us down! Every event was a testament to the energy and passion of this community. We're also loving the buzz from our new social media videos—if you haven't yet, be sure to follow us on Facebook so you can stay up-to-date with all the exciting happenings.

As we head into the Fourth of July weekend, I hope you and your loved ones have a safe and joyful holiday. Thank you for your continued support of the Chamber, and I can't wait to see what we accomplish together next!

- Cindy Banks, Executive Director

The Winchester-Clark County Chamber of Commerce serves as an advocate for our members to promote and enhance our community through business, social, cultural and educational programs.

WINCHESTER COUNTRY CLUB

Meet Our New Board Members & President!

WINCHESTER CLARK COUNTY CHAMBER OF COMMERCE

Tim Duncan retired after 44 years of banking – his last 22 years with Central Bank. Tim enjoys skiing, walking dogs, working out and his 2 children Henry and Mary Price. Tim is the Chamber's past president for 2 years.

Alyshia Martin serves as Grant Coordinator for the City of Winchester, where she works to secure funding for critical community initiatives and to support local development efforts. With a background in public policy and early experience in a congressional office, she has a strong understanding of both public service and economic development. Alyshia also founded Martin Appraisal Group in 2019 and continues to support the company through strategic advising and business development efforts.

Chelsea Reese is the Director of Marketing at Rose Mary C. Brooks Place Senior Living. She holds an associate degree in applied science for business management with a special focus on marketing from BCTC. She is a graduate of both Leadership Winchester and Leadership Central Kentucky. With 9 years of experience working in the senior living industry, Chelsea is dedicated to effective leadership, building relationships, and multimedia marketing. Her passion is advocating for small business, industries, and organizations that strengthen the community.

Kitty Strode is a city commissioner and public servant involved in this community. She is a grandmother of three girls and a proud citizen. She is employed at Keeneland as a mutual clerk.

Leslie Aitken recently retired from Clark County health department as Director of Administrative Services and has 35 years experience as a certified public accountant. Leslie grew up to understand that the Chamber of Commerce was a hub of a town as the Chamber was her father's first stop on family vacations. Leslie is the Chamber's Treasurer.

Matt Smith is the CEO of Clark Regional Medical Center. With over 15 years in Health care management, Matt's leadership knowledge and patient experience promotion vision has been a great addition to the Administration team. Before coming to Clark, Matt served as the CEO of Bourbon Community Hospital and used his strong operational and leadership background to improve the Culture of Safety Teamwork and Safety climate score, improve patient satisfaction, reduce turnover and achieve the budget for a consolidated 2017-2019 plan years. Matt enjoys all things outdoors and serving the community and patients, he has two children, Emie Jo and Cole.

Darryl Terry retired after 46 years in banking and looking for trouble in all the right places. Darryl has served the Chamber in different capacities for over 40 years.

Callie Watts is the owner of EverSol Creative, a marketing agency specializing in social media management and CRM automation for local businesses and organizations. Prior to launching EverSol Creative, she owned and operated The Fly Witches Bungee for 4 years. As a member of the Winchester Clark County Chamber of Commerce Board of Directors, Callie is passionate about supporting local businesses and helping organizations strengthen their presence both online and within the community.

Sheila Frye joined the Ale-8-One family over 10 years ago. She serves Kentucky during times of need, such as the recent natural disasters. She also works with our school systems and manages Ale-8-One company tours. She serves as a board member of Leadership Central Kentucky and the Kentucky State University Thoroughbred board.

Meredith Guy is a passionate architect and the daughter of a small business owner. A sole practitioner based in Winchester, Kentucky, she has a deep appreciation for the role small businesses play in shaping local communities. Outside of her professional work, Meredith enjoys spending her free time exploring Central Kentucky, where she draws inspiration from the area's rich history and vibrant culture. She resides in Winchester with her husband and two children.

Kelly Nisbett is a second-generation broker/owner of Coldwell Banker McMahan and has been selling in Clark County for over 30 years. She is a mother of two wonderful children and a proud citizen of Clark County.

Allison Roberts is Vice President of Traditional Bank and currently serves as a mortgage loan originator. With 20 years of experience at the bank, she has held many roles throughout her career, gaining knowledge of the banking industry and customer service. Allison is dedicated to helping her customers achieve their financial dreams.

Josh Wood is a husband, father of three, Co-Broker/Owner of Freedom Realty and PM, and Co-Owner of Tee'd Off Indoor Golf Simulators. He is passionate about serving others, building meaningful connections, and helping make Winchester-Clark County a great place to live, work, and raise a family.

**Discover why our members CONNECT with the Winchester Clark-County Chamber
Where business relationships flourish and community connections create lasting success!**

Thank you to all of our members and the business community for your ongoing support of the Chamber!

Without you, we wouldn't be able to provide the resources and opportunities for the business community.

MATT SMITH,
CHAIRMAN

CHAMBER HAS 400+ MEMBERS!

CONNECTIONS

Breakfasts

Luna Luxe welcomed us with mimosas and gave us a tour of their luxurious facilities.

No, the Rainforest Cafe didn't join the Chamber - the **Clark County Public Library** hosted our breakfast in their Dino-Themed room.

We savored wonderful locally prepared foods with **Abettor Brewing, Bell and Co,** and the **WCC Farmer's Market.**

Making Connections

STATE OF EDUCATION

Superintendent Dustin Howard spoke passionately about the connections the school board and the community have and continue making to develop strong future leaders.

LEADERSHIP PROGRAM SUMMIT

Cindy attended the 2026 Regional Community Leadership Programs Summit in London, KY. The day was filled with networking, sharing successes, and learning new skills and resources. The summit was put on by The Kentucky Community Leadership Programs Network.

STATE OF CHAMBER INDUSTRY 2026

Our Chamber Board of Directors soaked up facts, tips, and strategies from industry expert, Frank Kenny. He briefed us on the trends, insights, and practical priorities we should focus on, so that we can have a stronger 2027.

LEADERSHIP WINCHESTER-CLARK COUNTY CLASS OF 2026 GRADUATES

Darryl Terry gave our Leadership class a rousing send-off at Full Belly. We are thrilled to have 27 graduates - the largest in the program's history.

Leadership Winchester is one of the Chamber's signature programs, designed to help participants gain a deeper understanding of our community while building relationships with fellow leaders from a variety of industries and organizations. Throughout the program, participants explore the people, places, and partnerships that make Winchester and Clark County thrive.

We're excited to see how this outstanding group will continue to make a positive impact through their businesses, organizations, and service to our community.

Ribbon Cuttings

Owner Tim Smallwood joined the Chamber because he believes in the power of community and the importance of local businesses working together to create opportunities, build relationships, and strengthen Clark County.

As a locally owned and operated practice, Vitale Derm & Aesthetics is helping bridge the gap in dermatology care by bringing medical, surgical, and aesthetic dermatology services right here to Winchester, reducing the need for patients to travel outside the county for care.

We joined community leaders and partners for the ribbon cutting of the Safer Boone for Everyone Quick-Build Street Project at the intersection of Boone Avenue and College Street.

Selected by the Kentucky Transportation Cabinet as one of only three communities in Kentucky to participate, Winchester was chosen to pilot this project on Boone Avenue, a state-maintained roadway, with the goal of improving safety for pedestrians, cyclists, and drivers.

As one speaker shared during today's event, this project is "a start to doing something." Over the next several months, the intersection will provide valuable insight into ways communities can create safer streets for everyone.

Owner Cody Sheeran shared that joining the Chamber was an opportunity to become more involved in the community and connect with other local businesses. He emphasized that Clean Sweep is built on the belief that when you have the support of your community, success follows.

As a locally owned business committed to giving back, Clean Sweep also presented a \$1,000 donation to local athletics, with Britney Harper accepting the check on behalf of the program.

To celebrate their opening, Clean Sweep is offering FREE car washes until Monday, June 8th. Be sure to stop by, support a local business, and check them out!

Owners Sarah and William Perry have built businesses rooted in family, community, and service. Rimar Electric has proudly served the area since 2008, while CDE Sanitation opened in 2022. Fun fact: "Rimar" is named after their daughters, Riley and Marly, while "CDE" represents their grandchildren, Callee, Dallas, and Eli.

When asked what being a Chamber member has meant to them, Sarah shared that the Chamber has allowed them to build trust and relationships throughout the community while connecting with other local business owners and learning from their experiences.

The evening was made even more special with the dedication of a memorial honoring former Winchester Mayor Ed Burtner. The memorial incorporates historic bricks and materials from notable locations throughout Winchester that he collected over time, preserving pieces of our community's history while recognizing a leader whose impact continues to be felt today.

We celebrated the grand reopening of Rally's and officially welcomed the iconic brand back to Winchester! Owner Robert Ruggieri shared that joining the Chamber was important because he wanted to build strong relationships within the community, connect with local businesses, and help spread the word about Rally's return to the market.

Robert and his team are excited to once again serve the wonderful people of Clark County by bringing Rally's unique menu, bold flavors, and familiar favorites back to Winchester.

Congratulations to Robert, business partner Monica Wang, and the entire Rally's team on this exciting new chapter. We're thrilled to have you as part of the Winchester business community and look forward to seeing Rally's become a familiar stop for residents and visitors alike.

For the past decade, Dr. Jessica McClanahan-Wasson and her team have provided exceptional care and beautiful smiles through their family dentistry, cosmetic services, and Botox treatments.

Thank you for investing in our community and making a difference in the lives of so many patients over the last 10 years. Here's to many more years of success!

Centerpoint Obstetrics & Gynecology is dedicated to providing comprehensive women's healthcare services right here in Winchester, serving patients through every stage of life with obstetric and gynecologic care close to home.

The practice is led by Dr. Anthony Smith, Dr. Nicole Weber, and Denise Pinson, APRN, who are committed to delivering compassionate, patient-centered care to women throughout our community.

This family-owned business is bringing fresh bagels, breakfast, and lunch to Winchester with a menu featuring everything from classic favorites like Plain, Everything, and Asiago to specialty flavors like Rainbow and French Toast. They also offer a variety of breakfast and lunch sandwiches served on their freshly made bagels.

Owner Tyrone has spent most of his life in the food industry and has been crafting bagels for the past five years before taking the leap to open his own restaurant right here in our community.
